

## *Hanuman Aarti*

Aarti kijai hanumana lala ki,  
Dustadalana raghunatha kala ki

Jake bala se girivara kaapai,  
Roga-dosha Jake nikata na jhakai

Anjani-putra maha baladayi,  
Santana ke prabhu sada sahai

De bira Raghunatha pathaye,  
Lanka jari Sija sudhi laye

Lanka si kota samurda si khayi,  
Jata pavan-asuta bara na layi

Lanka jari asura samare,  
Siyarama ke kaja sanvare

Lachhiman murchhita pare dharani pai,  
Ani sajivana prana ubare

Paithi patala tori jama kare,  
Ahiravana ke bhuja ukhare

Banye bhuja asura dala mare,  
Dahine bhuja santajana tare

Sura nara muni jana arati utarein,  
Jai jai jai Hanuman ucharen

Kanchana thara kapura lan chhayi,  
Arati karata Anjana mayi

Jo Hanumana ji ki arati gavai,  
Basi vaikuntha parama pada pavai

Lanka bidhvansa kiye Raghurayi,  
Tulsidasa Prabhu kirati gayi
